Dear Members of the New Jersey Reentry Corporation and 1Huddle,

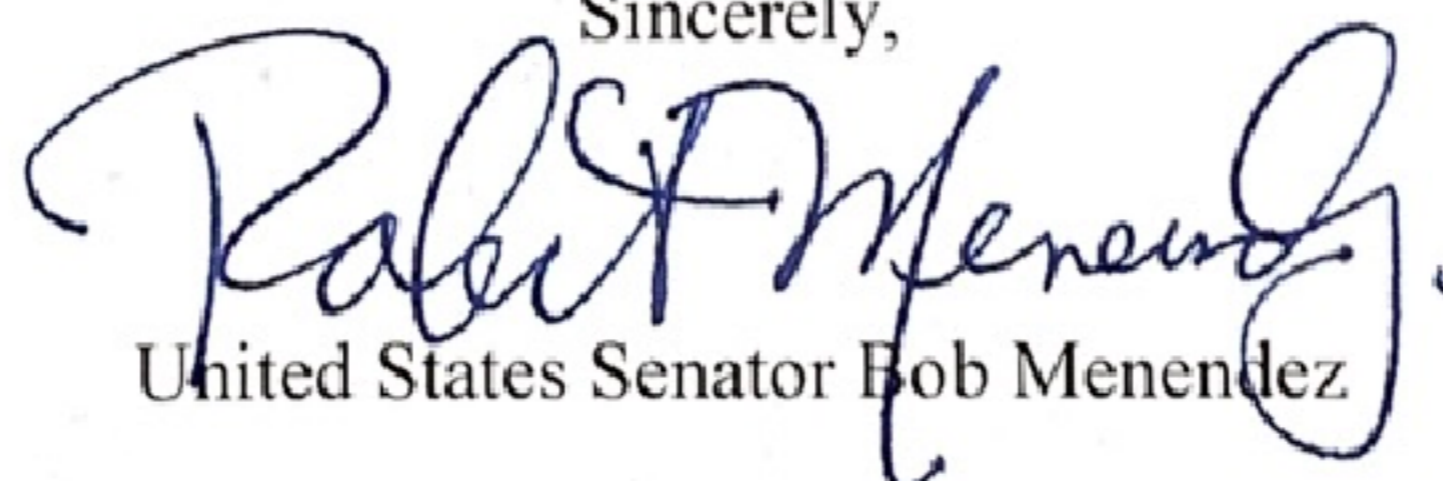

Please accept my warmest wishes as you all gather to celebrate the partnership between 1Huddle and the New Jersey Reentry Corporation as they launch an innovative mobile app. It is truly an honor to have been invited to such a special celebration.

It is my pleasure to see the collaboration of these two organizations coming together to better serve the reentry community and ensure easy access to treatment programs, job placement and legal services. Navigating the first few months of reentry can be extremely overwhelming, which is why providing these citizens with the resources they need, right in the palm of their hands, is so critically important. With 1Huddle as the motor behind this operation, this app can impact the lives of thousands of New Jersey residents. Because of efforts lead by former Governor Jim McGreevey, Rev. Bolivar Flores, and the entire reentry corporation team, New Jersey is on a path to becoming a national model for reentry services.

As your Senior United States Senator, I am truly honored to have been invited to participate in this celebration. I would like to extend my gratitude to all of you here today for your hard work and look forward to continuing the fight for expanding access to reentry services. Please accept my best wishes as you continue to build a successful future.

God bless you all and God bless the great State of New Jersey.

Sincerely,

  
United States Senator Bob Menendez
